Alternatively, use the form in the QR code to submit:

1. **Write a story that includes the following words:** tremendous, double-decker bus, stripped pajamas, a basketball team.

2. **Write a story about the following scenario:** A spaceship lands on earth in the year 2030. By 2035 the visitors have set up a walled-colony on earth in Florida, U.S.A. You sneak into their camp and what happens?

3. **Write a story about the following scenario:** You are part of a manned-voyage to another galaxy. After five years, the craft reaches its destination, and you and your crew set up camp. After a few days, you realize you are not alone on the planet, as previously believed. What happens?

4. Write a story from the perspective of your favorite or least favorite animal.

5. Predict the future of social media. What point will the usage of social media have reached within the next 5 years?

6. Write a review of your town that includes the greatest attracions in the community.

7. Write a personal narrative about your most remarkable spring or summer memory.

8. Finish the story: It had been raining for 7 days, and the ground was so muddy that we did not want to go into the backyard. We were stucking in the attic playing, so we looked behind the boxes and found...

9. Write a review of the best movie that you have ever seen. (No spoilers!)

10. Write an essay predciting what the world will be like when you turn 21.

11. Draw a landscape from your neighborhood.

12. Draw a picture of your favorite toy.

13. Draw a picture of your pet.

14. Create a 5-minute video acting out a skit.

15. Interview an interesting person: 5 minutes
